A *hospice* is basically a hospital for the terminally ill. The goal of the hospice movement is to improve the quality of life in the persons final days. Hospices typically offer support, guidance companionship from volunteers, other patients, staff, clergy and counselors. Pleasant surroundings, an atmosphere of informality, and a sense of continued living help the patients cope with their illnesses. Unlimited around the clock visits are permitted by relatives, friends, children and even pets. Patients receive constant attention, play games, make day-trips, have pre-dinner cocktails if they choose, and enjoy entertainment. In short life goes on for them.

- 24) The paragraph gives us information on what ?
- 25) What is the goal of the hospice movement ?
