Second Semester FYUGP Psychology Examination APRIL 2025 (2024 Admission onwards) KU2DSCPSY102 (COGNITION AND HUMAN BEHAVIOUR) (DATE OF EXAM: 30-4-2025)

Part A (Answer any 6 questions. Each carries 2 marks) 1. Define social motive with example 2 2. Explain behavioral components of emotion with example. 2 3. What is facial feedback theory of emotion? 2 4. What is the role of amygdale in emotion? 2 5. Define episodic memory 2 6. A8: What is motivated forgetting? Give some examples 2 7. What is retrieval in memory processes? 2 8. What is the meaning of distribution of IQ in intelligence testing 2 Part B (Answer any 4 questions. Each carries 6 marks) 3 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 6 10. Evaluate the interconnection between physiological arousal of emotion for subject 6		
1. Define social motive with example 2 2. Explain behavioral components of emotion with example. 2 3. What is facial feedback theory of emotion? 2 4. What is the role of amygdale in emotion? 2 5. Define episodic memory 2 6. A8: What is motivated forgetting? Give some examples 2 7. What is retrieval in memory processes? 2 8. What is the meaning of distribution of IQ in intelligence testing 2 Part B (Answer any 4 questions. Each carries 6 marks) 9 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 6 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 6 11. How feelings shape thought and thought shapes feelings? 6 12. How can you differentiate short term memory from long term memory? 6 13. Explain memory processes using elements of working process of a computer. 6 14. Criticize the use of foreign intelligence tests in India? 6 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 14	Time : 90 min	Maximum Marks : 50
 Explain behavioral components of emotion with example. What is facial feedback theory of emotion? What is the role of amygdale in emotion? Define episodic memory A8: What is motivated forgetting? Give some examples What is retrieval in memory processes? What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) Discuss the concept of Social motives. Explain different types of Social motives with examples. Evaluate the interconnection between physiological arousal of emotion for subjective experience. How feelings shape thought and thought shapes feelings? How can you differentiate short term memory from long term memory? Explain memory processes using elements of working process of a computer. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	Part A (Answer any 6 questions. Each carries 2 mar	ks)
 What is facial feedback theory of emotion? What is the role of amygdale in emotion? What is the role of amygdale in emotion? Define episodic memory A8: What is motivated forgetting? Give some examples A8: What is motivated forgetting? Give some examples What is retrieval in memory processes? What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) Discuss the concept of Social motives. Explain different types of Social motives with examples. Evaluate the interconnection between physiological arousal of emotion for subjective experience. How can you differentiate short term memory from long term memory? Explain memory processes using elements of working process of a computer. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	1. Define social motive with example	2
 4. What is the role of amygdale in emotion? 2 5. Define episodic memory 6. A8: What is motivated forgetting? Give some examples 2 7. What is retrieval in memory processes? 8. What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 6. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	2. Explain behavioral components of emotion with example.	2
 5. Define episodic memory 2 6. A8: What is motivated forgetting? Give some examples 7. What is retrieval in memory processes? 8. What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	3. What is facial feedback theory of emotion?	2
 A8: What is motivated forgetting? Give some examples What is retrieval in memory processes? What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) Discuss the concept of Social motives. Explain different types of Social motives with examples. Evaluate the interconnection between physiological arousal of emotion for subjective experience. How feelings shape thought and thought shapes feelings? How can you differentiate short term memory from long term memory? Explain memory processes using elements of working process of a computer. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	4. What is the role of amygdale in emotion?	2
 7. What is retrieval in memory processes? 8. What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	5. Define episodic memory	2
 8. What is the meaning of distribution of IQ in intelligence testing Part B (Answer any 4 questions. Each carries 6 marks) 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	6. A8: What is motivated forgetting? Give some examples	2
Part B (Answer any 4 questions. Each carries 6 marks) 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 6 14. Criticize the use of foreign intelligence tests in India? 6 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it.	7. What is retrieval in memory processes?	2
 9. Discuss the concept of Social motives. Explain different types of Social motives with examples. 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 11. How feelings shape thought and thought shapes feelings? 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	8. What is the meaning of distribution of IQ in intelligence t	esting 2
with examples. 6 10. Evaluate the interconnection between physiological arousal of emotion for subjective experience. 6 11. How feelings shape thought and thought shapes feelings? 6 12. How can you differentiate short term memory from long term memory? 6 13. Explain memory processes using elements of working process of a computer. 6 14. Criticize the use of foreign intelligence tests in India? 6 Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 14	Part B (Answer any 4 questions. Each carries 6 m	arks)
tive experience. 6 11. How feelings shape thought and thought shapes feelings? 6 12. How can you differentiate short term memory from long term memory? 6 13. Explain memory processes using elements of working process of a computer. 6 14. Criticize the use of foreign intelligence tests in India? 6 Part C (Answer any 1 question(s). Each carries 14 marks) 6 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 14		types of Social motives 6
 12. How can you differentiate short term memory from long term memory? 13. Explain memory processes using elements of working process of a computer. 14. Criticize the use of foreign intelligence tests in India? 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	e e construction de la const	l of emotion for subjec- 6
 13. Explain memory processes using elements of working process of a computer. 6 14. Criticize the use of foreign intelligence tests in India? 6 Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 14 	11. How feelings shape thought and thought shapes feelings?	6
 14. Criticize the use of foreign intelligence tests in India? Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	12. How can you differentiate short term memory from long te	erm memory? 6
 Part C (Answer any 1 question(s). Each carries 14 marks) 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 	13. Explain memory processes using elements of working proce	ess of a computer. 6
 15. Examine the importance of fostering creativity in education and propose effective strategies for enhancing it. 14 	14. Criticize the use of foreign intelligence tests in India?	6
strategies for enhancing it. 14	Part C (Answer any 1 question(s). Each carries 14	marks)
16. Discuss the concept of Motivation, its types, and major theories. 14		
	16. Discuss the concept of Motivation, its types, and major the	eories. 14
