For the academic year of 2019- 20, we had a total number of 419 students from all the UG departments of the college. The course was conducted by the faculty members of English department with Mr. Sarath Krishnan as the staff coordinator. The aim of organizing this course is to upgrade the language skills of the students and to boost the confidence of the students. Though within a weeks' time we cannot bring in a great change but still the course did pave way to urge the students follow and practice the medium of English. Towards

the end of the course, the department holds the proficiency test which helps in marking the improvement of the students. The course was made competitive and interesting by recognizing the improvements and appreciating them.
