Our Morning **ASSEMBLY PRAYER**

Prayer for Wisdom

O God,
From whom,
All wisdom and knowledge proceed,
Help me to do my studies well.
Open my mind to the truth.
Wipe out all my prejudices.
Give me an attentive mind,
Keen and alert,
So that,
I can concentrate,
And grasp my lessons.
Grant me an eager mind,
To learn something new everyday.
O Invisible,
Eternal,
Unchangeable Truth.

Our Father

Our Father in heaven,
Holy be your name,
Your Kingdom come,
Your will be done,
On earth as it is in heaven.
Give us today our daily bread.
Forgive us our sins,
As we forgive,
Those who sin against us.
Do not bring us to the test.
But deliver us from evil.

In 1859, St. John Bosco (1815-1888), popularly known as Don Bosco, founded a Roman Catholic Religious Congregation of Priests and Brothers called the Salesians of Don Bosco (SDB), with its headquarters in Italy.

Currently serving in 132 countries across the globe, Don Bosco Fathers and Brothers are at the service of young people, shaping their career and accompanying them as a friend for a meaningful and fulfilling life.

Don Bosco visualized education as a matter of the heart rooted on the principles of loving kindness and selfless service. He created a unique system of education that moulds the whole person - body, heart, mind and spirit. He strongly believed that the hearts of young people can easily be won through love, patience and empathy and not with intimidation and punishment. Don Bosco's paradigm of education, globally recognized as 'Preventive System', is embedded on three Rs: REASON (Intellectual Growth-IQ)), RELATIONSHIP (Emotional Growth - EQ) and RELIGION (Spiritual Growth - SQ).

The Unique Selling Proposition (USP) of Don Bosco institutions is the family ambience, a home-away-from-home setting. Don Bosco used to say, "It is not enough to love the young. They must know that they are loved."

Don Bosco Arts & Science College, Angadikadavu, affiliated to the University of Kannur, is a branch of Don Bosco International Educational Services, a global brand for quality.

FACETS OF HISTORY

The genesis of Don Bosco Arts and Science College (DBASC), Angadikadavu can be traced back to the year 1992. Mr. Thomas Thanangattu, a past pupil of Don Bosco and proprietor of GINA Engineering Company, a leading construction firm in Bangalore donated six acres of land from his ancestral property to the Salesians of Don Bosco for establishing a college for those seeking a quality institute for higher education in northern districts of Kerala.

Don Bosco Arts & Science College had a humble beginning in 1994 as a Parallel College, offering pre-degree, undergraduate and postgraduate courses of Calicut University for about 600 students, with Fr. Thomas Poovelickal SDB as Rector and Manager, and Bro. Shaji Kalavanal SDB as Principal.

It was in 2002 that Don Bosco Parallel College was elevated to an affiliated Self-Financing College of Kannur University, with Master of Computer Applications (MCA) as its only academic programme. Two new postgraduate programmes, Master of Communication and Journalism (MCJ) and Master of Social Work (MSW), were introduced in 2003. Three undergraduate programmes, BA English Language Literature, BCom with Computer Applications and BSc Mathematics were launched in 2005. Savio Home, a full-fledged men's hostel was blessed in 2006.

As per the requirements of All India Council for Technical Education (AICTE), Don Bosco Arts & Science College was formally bifurcated from Don Bosco College to a new campus on November 8, 2008.

Maria Niketan, the women's hostel for postgraduate students was formally opened in June 2013. Three undergraduate programmes (BCom Co-operation, BBA & BCA) and two postgraduate programmes (MA English Literature and MCom Finance) were added in 2012. Bachelor of Social Work (BSW) was launched in 2015, MSc Mathematics in 2017, BCom Finance and BSc Psychology in 2018 and MSc Psychology launched in 2020.

DEPARTMENT OF ENGLISH

The Department of English has been part of the fabric of the college since its inception 12 years ago. Don Bosco Arts & Science College offers undergraduate and postgraduate programmes covering a wide range of genres, authors and historical periods in English literature and language, as well as Irish, American, Canadian and Australian literatures, literary theory, film studies, media studies and creative writing.

The study of English opens up extraordinary and inspiring worlds of literary art and ideas. Students learn a wide range of skills in close reading, textual interpretation and critical argument. They examine how writers from different cultures over many centuries have used poetry, drama and prose to represent real and imaginative worlds. The programme broadens and deepens a student's literary, cultural and historical understanding, developing skills in expression, interpretation, discussion and argumentation that can be put to good use in a wide variety of professional situations.

DEPARTMENT OF PSYCHOLOGY

Studying psychology equips students to use their knowledge of human counseling in their daily lives. Developing excellent research and analytical skills, the ability to be a better communicator and to master the art of conflict resolution are just some of the important benefits of studying psychology.

Since it is an emerging field of science, a degree in psychology not only opens the door to the possibility of becoming a psychologist, but it also lays the groundwork for a number of other career options like counseling, military, sports, and human resource management etc.

The Department of Psychology at Don Bosco Arts and Science College is devoted to training the students who will work to advance theory and to create knowledge that helps us address real-world problems. Accomplishing this mission requires a broad range of perspectives and backgrounds. Diversity enriches both our department and the science of psychology. We strive to cultivate an inclusive community that values diverse questions, viewpoints, approaches, and participant samples to foster ingenuity, challenge biases, and to promote intellectual growth.

CO-CURRICULAR PACKAGES

NATIONAL SERVICE SCHEME (NSS)

National Service Scheme is a student-centered programme and it is complementary to education. It is a noble experiment in academic extension. It inculcates the spirit of voluntary work among students and teachers through sustained community interaction. It brings our academic institutions closer to the society. It is a link between the campus and community, the college and village, knowledge and action. The overall aim of NSS is the Personality Development of students through community service. It gives an extension dimension to Higher Education system and orients the student youth to community service.

The motto of NSS is 'NOT Me But You'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings.

The first unit of the National Service Scheme Unit No.72 was started in 2008, and the second unit No.47 in 2010. Admission is open to I DC and II DC students only.

The duration of the programme is two years. In order to become eligible for the NSS certificate and grace marks, volunteers must put in 240 hours of regular activities and attend a 10-day work camp.

JESUS YOUTH

Jesus Youth is an international Catholic youth movement with a charismatic spirituality. It had its beginnings in Kerala, but is now active in nearly 25 different countries around the world. Jesus Youth is an initiative of young people themselves, who, filled with the Holy Spirit, try to reach out to other young people. The strength of the movement is its special focus on a life centered on the Lord Jesus Christ: beginning with an experience of God nourished by prayer, the Word of God, the sacraments and fellowship, and sharing the Good News of Jesus Christ with others.

Though not an actual community, Jesus Youth is a network of small but vibrant groups of young people. In their own life situations, they strive to give time to the Lord, responding to the challenges of today's world in the power of the Holy Spirit. Since 2005, an active Jesus Youth wing has been functioning in our college.

NATURE CLUB

Nature Club offers opportunities for social cohesion and for building social capital. Environmental consciousness cannot exist in a vacuum and thus needs social space to find true meaning and relevance. Our Nature Club aims at arresting further environmental degradation by raising awareness and fostering teamwork and social and ecological sensitivity.

The students are motivated to develop an eco-friendly attitude to preserve and conserve our invaluable legacy. The club encourages the students to live in harmony with nature by engaging them in engrossing pursuits such as sapling, planting, nurturing, caring and protecting plants.

SPORTS CLUB

Sports Club is established to develop athleticism, to keep students healthy in body and in mind. Sports Club provides coaching for committed performers.

College provides all amenities and facilities for games such as football, basketball, volleyball, badminton and table tennis to equip the students for intercollegiate and university tournaments.

DANCE & MUSIC CLUBS

The Dance and Music Club brings out the talents of students in music and dance. **DARE (Don Bosco Association of Rocking Entertainers)**, *Kattankaappi*, a dance team in the campus, has been showcasing the students' dancing forte during the past few years. The Club offers opportunities also in the form of fests, competitions and cultural shows, igniting and honing their bodily-kinesthetic and musical intelligences.

DRAMA CLUB

The Drama Club promotes knowledge of theater practices through involvement in various activities, events, and performances. The Drama Club conducts and hosts theater-related workshops, directs and performs plays, holds regular meetings to develop skills in all areas of theater, such as acting, directing, scripting, and designing lights, sound, scenery, costumes, and make-up and equips students for inter-collegiate and university level competitions.

FILM CLUB

The Film Club screens multi-lingual and multi-genre mainstream and parallel cinema and documentaries on a regular basis. It aims to educate and empower students by analyzing the medium and probing into various issues which it puts into the public domain, and to creatively employ the cinematic medium for pertinent interventions on socially relevant issues. The Film Club helps students

to make short films, to give training in direction, script writing, to create awareness and provide training in the new trends in film making, to screen world classics and evaluate them critically and to conduct seminars, workshops, quiz competitions and film festivals.

PHOTOGRAPHY CLUB

The Photography Club provides opportunities to feed your passion for photography. The aim of the Club is to document every event that takes place in the campus through the medium of the camera, in both photo and video format. It also seeks to hone the skills of students interested in the medium, and to introduce interested students to the basics in the field. To this end, the Club arranges workshops by professional photographers, sets up a viewing gallery of the best pictures taken by the members of the club and equips the students to participate in online and spot photography competitions.

DEBATE CLUB

Communication skills aren't just essential to your career. If you can't express your ideas to other people, if you can't make them understand what you think and feel, you have a real problem. Debate teaches you to organize your ideas so that you can express them clearly. Debating also gives you the poise and self-confidence you need to stand up and explain your opinions. Debate doesn't teach you what to think, it teaches you how to think. It teaches you to examine information and ideas closely and critically. Debate Club equips you to be articulate, penetrative and persuasive in your communication.

ENTREPRENEURSHIP CLUB

The Entrepreneurship Club aims to provide a conduit by which students can access entrepreneurial resources, network with entrepreneurs, and share ideas. Students in the club will participate in the development of a business, at minimum by working on a business plan, but ideally also by being part of implementing a start-up.

The Entrepreneurship Club sensitizes students on the real economic and industrial development scenario of the State, makes them aware of the unlimited development potential of the State, enables them to take informed decisions to bring in successful entrepreneur and students on a common platform, and motivates them on various dimensions of industry to nurture the latent entrepreneurial talent.

The Entrepreneurship Club organizes interactive sessions with successful entrepreneurs from outside as well as within the State, conducts workshops/ debates, industrial visits to business enterprises within/outside the State.
